Please feel free to use Sitka Gear and Kuiu Light Weight Hunting Gear at www.sitkagear.com and www.kuiu.com ... Sitka and Kuiu are both excellent products for our hunting area! Another good friend of ours is Barneys Sports Chalet in Alaska at www.barneysports.com Please give Bob and the guys a call for consulting and help on finalizing your gear needs especially for Grizzly and goat hunters! Bob is very familiar with our area and gear needs. (907)561-5242. The above list is a suggested guide for equipment you should bring on your hunt, all of which should be able to fit in two 30 lb. small duffle bags. This comprehensive list is oriented to goat hunters on 10 day hunts, on 7 day antlered hunts less clothing and extreme gear will be needed. Some of this gear will not be necessary on a base camp type hunt etc.

Plan ahead and get in as good shape physically as possible. You will be glad when you are here.
